

Cannabis Law

Our attorneys possess the legal experience required to not only form and grow a cannabis-related business, but to assist you identifying and navigating the unique challenges that can be encountered along the way. Our attorneys have extensive experience in a wide range of areas pertaining to the cannabis, hemp and CBD industries, including:

- Regulatory compliance
- Licensing
- Mergers and acquisitions
- Banking and finance
- Employment law
- Real estate development and leasing
- Litigation
- Intellectual property
- Taxation
- Entity formation

We are equipped to serve a wide range of clients in the cannabis industry, including individuals, businesses, financial institutions, producers, distributors and employers. We stay apprised of changing state and federal laws and regulations that govern cannabis production, distribution and use, and help you craft policies and procedures that ensure compliance.

Our Cannabis Law Group includes attorneys from multiple practice areas in the firm, including [Litigation](#), [Corporate Law](#), [Tax](#), [Health Care](#), [Real Estate](#), [Banking and Finance](#), [Intellectual Property](#) and [Labor and Employment](#). In addition, the attorneys in our group represent a broad spectrum of experience and areas of specialization. This diverse group allows us to provide our clients with industry-specific advice to help them launch or grow their cannabis business, and to effectively and efficiently address all aspects of a client's existing business that may be affected by cannabis-related legal issues.
