

Emily Capodarco Explores Estate Planning Post Divorce in Lake County Living

Emily Capodarco discusses the importance of revisiting your estate plan after divorce in the April issue of Lake County Living (formerly Blue Magazine). The article, "[When the Dust Settles: Updating Your Estate Plan After Divorce](#)," advocates for reviewing all fiduciary appointments across your estate plan to ensure you have the right representative for your personal matters, such as financial or health care powers of attorney. A spouse typically fills this role in estate plans, which is why Capodarco advises understanding and updating your estate plan post divorce.

Capodarco is an attorney in Reinhart's Trusts and Estates Practice, where she helps high-net-worth individuals and business owners grow and preserve their family legacies through estate planning. She works with clients to ensure all assets align with their estate plan and advises them on the tax implications of both current and future regulations.
