

Gathering Clouds: Emerging Product Liability Risks

Members of Reinhart's [Product Liability and Safety Practice](#) recently led a webinar, reviewing specific regulatory and litigation risks that are leading to significant concerns for many manufacturing and other businesses. Gathering clouds across several sectors indicate federal and state agencies and legislatures are moving aggressively to regulate various aspects of product development, manufacturing, advertising, sales and more. Often shadowing these regulatory moves, state attorneys general and private litigation are increasingly taking on various companies, supply chains and industries.
