

Guy Temple Hosts Live Webinar on PFAS Litigation Risks for Product Manufacturers

[Guy Temple](#) hosted a live webinar on May 10, "PFAS Litigation Risks for Product Manufacturers," presented by the Society for Plastics Engineers, a leading international professional organization for plastic industry professionals. He discussed current and future litigation threats for product manufacturers and preparation for managing that risk.

Temple is a shareholder in Reinhart's Litigation Practice and co-chair of the firm's PFAS Practice, where he counsels product manufacturers, developers, dealers and distributors in avoiding, defending and prosecuting complex commercial disputes. He also assists product manufacturers and distributors in navigating the rapidly changing state and federal regulatory landscape and litigation environment of PFAS "forever chemical" content in manufactured and imported products.
