

# Guy Temple Provides Insights on PFAS Legislation in Plastics Engineering Magazine

Guy Temple was featured in the article "[PFAS Legislation: What's Next?](#)" in *Plastics Engineering Magazine*. He provided valuable insights into the current state of PFAS regulation and the challenges faced by industries that rely on these chemicals. The article discusses the widespread use of PFAS, its health risks, regulatory complexities, the role of standardization and the future of PFAS legislation and alternatives.

Temple is a shareholder in Reinhart's Litigation Practice and co-chair of the firm's PFAS Practice, where he counsels product manufacturers, developers, dealers and distributors in avoiding, defending and prosecuting complex commercial disputes. He also assists product manufacturers and distributors navigate the rapidly changing state and federal regulatory landscape and litigation environment of PFAS "forever chemical" content in manufactured and imported products.
