

Guy Temple Receives Wisconsin Veterans Chamber of Commerce Veteran Leader of the Year Award

MILWAUKEE – [Reinhart Boerner Van Deuren s.c.](#) (Reinhart) announces that Shareholder [Guy R. Temple](#) has been named Veteran Leader of the Year by the Wisconsin Veterans Chamber of Commerce. Temple was recognized at an awards luncheon on Thursday, May 23.

The Wisconsin Veterans Business Awards recognize leading businesses, organizations and individuals who have partnered with the Chamber to expand economic opportunity for veterans and military families in Wisconsin. Temple was recognized for his commitment to building a more veteran-friendly business environment, and for exemplifying the value veterans bring to their communities.

Currently, Temple and Reinhart are partnering with the Chamber to conduct ongoing programs focused on contracting opportunities for veteran-owned businesses. The series is designed to provide owners of veteran-owned businesses with the knowledge needed to participate in commercial and government contracting programs as many government agencies and commercial organizations are eager to include veteran-owned businesses as suppliers, contractors and service providers. More information on these programs can be found at:

Prior to joining the firm, Temple served for 4.5 years as a Captain in the United States Air Force JAG Corps where he represented both individual clients and senior military leadership involved in criminal or civil legal matters affecting the organization and administration of Air Force operations.

His Air Force experience required him to work in high-stress environments and under tight deadlines on which military operations were dependent. This unique background proves useful in his civilian practice as Temple's clients appreciate his dedication and ability to quickly find a solution to their legal matters so they can return their focus upon what matters – their business.

Temple is shareholder in Reinhart's [Litigation Practice](#) who represents a variety of clients, including business owners, product manufacturers, developers and distributors with a wide range of complex legal issues related to product distribution, franchising and supply chain disputes.
