

JP Kale Discusses the Impact of AI on the Legal, Patent Industry

Reinhart shareholder [JP Kale](#) recently discussed the impact of artificial intelligence (AI) on the legal industry in an interview for an [article](#) in *The Rockford Voice*. He highlighted the benefits that AI can bring to legal professionals but cautions against relying completely on AI. JP's insights also provide valuable guidance for businesses and individuals as they consider incorporating AI into their operations.

JP is a shareholder and registered patent attorney in Reinhart's [Intellectual Property Practice](#), where he advises solo inventors, startups and multinational corporations on the complexities of the patent process, providing them with sophisticated intellectual property protection strategies that involve utility and design patents, trade secret protection, trademarks and copyrights, both domestically and internationally.
