

# John Reichert Featured in Article on Silicon Valley Bank Collapse in the Milwaukee Business Journal

Shareholder [John Reichert](#) was interviewed for the article "[How the collapse of Silicon Valley Bank could affect Wisconsin's community banks](#)," published by the Milwaukee Business Journal.

Attributing the bank's collapse to mismanagement coupled with a lack of oversight, John stated, "I find it unusual that good community banks that are just tending to the needs of the community get a lot of scrutiny, and yet a bank like this could grow by \$150 billion, and nobody seemed to pay attention."

John is the managing shareholder of Reinhart's Waukesha office and a member of the firm's Banking and Finance Practice. He serves as general counsel for community banks, bank holding companies and other businesses involved in the financial services industry.
