Lindsay Dodovich is an attorney in Reinhart's Corporate Law Practice, where she assists clients in achieving successful transactions by conducting due diligence, drafting ancillary agreements and managing documentation. She is a detail-oriented and responsive legal partner in supporting both clients and fellow attorneys in closing mergers and acquisitions and related matters.

Before joining Reinhart, Lindsay served as Managing Editor of Volume 104 of the *Marquette Law Review*, as a legal intern at Children's Hospital of Wisconsin and in Marquette University's Office of the General Counsel. Lindsay was a four-year starter with the Bucknell University Women's Golf Team and holds a Sports Law Certificate. The tactical and mental endurance skills she honed during that time help her serve her clients in advancing their business strategies.

When Lindsay isn't working, she can be found playing golf, cooking, traveling and scouting out new restaurants.
