

Michael Gentry Mentors Future Tech Leaders at Summerfest Tech

Michael Gentry offered valuable guidance at Summerfest Tech's Mentor Session on Artificial Intelligence (AI). As a mentor, he led round-robin-style sessions on AI for groups of mentees. Summerfest Tech is a yearly conference that gathers stakeholders who are invested in highlighting the tech advancements of the Midwest. It highlights Wisconsin and Milwaukee as a destination where established companies, tech employees and startups can thrive.

Gentry is a shareholder in Reinhart's Labor and Employment Practice, as well as its AI and Data Privacy and Cybersecurity groups. He blends his litigation and legal counseling experience with a Certified Information Privacy Professional (CIPP/US) certification, providing a unique perspective on legal matters surrounding labor and employment, AI and data privacy and cybersecurity.
