

Privately-Held Companies: Strategies for Success

Three Reinhart clients and shareholder James M. Bedore were featured at the Milwaukee Business Journal's annual Privately-Held Companies seminar at The Pfister Hotel on Tuesday, October 17. Reinhart co-sponsored this opportunity to gain first-hand insights into the unique challenges and opportunities facing privately-held companies.

During a panel discussion with privately-held business leaders moderated by Dr. Jeanne Simmons, attendees heard about the risks and rewards of leading a business—including case studies demonstrating solutions to actual business challenges. It was an insightful afternoon as heads of local companies discussed what has made their organizations successful—and how you, too, can grow your business.
