

Reinhart Boerner Van Deuren Ranked #1 in Wisconsin, #2 Nationally by S&P Global Market Intelligence

[Reinhart Boerner Van Deuren s.c.](#) (Reinhart) has been listed by the [S&P Global Market Intelligence](#) as the top Wisconsin law firm, and second in the nation, in number of bank M&A deals announced during the first half of 2019. The intelligence report is compiled twice a year in January and July and takes into account deals completed in the previous six months.

Led by Reinhart attorneys John Reichert and Melissa Lanska, the firm's Financial Institutions M&A Team draws on the comprehensive services offered by Reinhart, carefully considers each client's individual goals, and crafts strategies to meet them. Reinhart regularly partners with clients from Wisconsin and from across the country.

Reichert observed, "The community banking space is undergoing significant consolidation and re-alignment. We know that M&A is not something most community bankers deal with on a regular basis and that it can be stressful. It has been our privilege to work with banks across Wisconsin and the Midwest, and we sincerely appreciate the fact that so many bankers have trusted us to help them navigate these challenges and opportunities."

The S&P Global Market Intelligence report is a bi-annual listing of the top firms in the U.S. across a variety of industries. Government agencies, investment professionals, international corporations, and universities rely on it for financial and industry research, data, analytics, and news.
