

Reinhart Named Sponsor of Wisconsin School of Business Family Business Center

MADISON – [Reinhart Boerner Van Deuren s.c.](#) has been named a sustaining sponsor of the Wisconsin School of Business Family Business Center (FBC).

The Family Business Center is a membership organization for family businesses and their owners. The FBC is dedicated to helping its community of members succeed by providing educational programs and events, peer-to-peer learning and support, and access to a network of relevant and effective family business resources.

Reinhart's sponsorship of the FBC is consistent with the firm's commitment to the success of its family business clients. "Our engagement with FBC and its affiliates will help us continue to bring a unique sensitivity and well-informed approach to our work with the owners of family businesses, especially with respect to issues of ownership, governance and succession," said Reinhart Business Law attorney Gregory Monday. "We can also help our family business clients get to know the FBC so they can decide whether to become a member."

For more information about the Family Business Center visit their website: <https://uwfbc.org/>. If you are not an FBC member, please ask your Reinhart attorney to bring you to an FBC event so you can experience the FBC in action.
