

Reinhart Receives Highest Ranking in Private Wealth Law By Chambers USA

MILWAUKEE – [Reinhart Boerner Van Deuren s.c.](#) (Reinhart) is pleased to announce that the firm has been recognized by Chambers USA in its 2021 High Net Worth Guide, giving Reinhart its highest ranking (Band 1) in Private Wealth Law. In addition, shareholders [Jennifer R. D'Amato](#) and [John A. Herbers](#) received individual accolades.

D'Amato is chair of the firm's Trusts and Estates Practice and former member of the firm's Board of Directors. She represents closely held business owners, wealthy families and private and public charities, although she primarily deals with ultra-high-net clients as she enjoys the complexities and tax issues associated with their closely held businesses and other assets. D'Amato provides her clients with peace of mind as they work together to preserve the legacy of a business, and her approachable nature allows her to navigate inter-family and multiple-generational dynamics as she becomes the trusted adviser to the family. D'Amato's practice includes business succession planning; designing leveraged gift techniques; generation-skipping transfer tax planning; resolving will, trust and tax controversy matters; fiduciary litigation and estate and trust administration.

Herbers is a member of the firm's Trusts and Estates, Tax and Corporate Law practices. His clients include high-net-worth individuals, owners and operators of family businesses, professionals and executives of large companies. His hands-on approach gains him access to a comprehensive understanding of his clients, their businesses, their goals and their dreams for their children and grandchildren so that he can offer legal advice to bring those dreams to fruition. His work includes estate planning, family business planning, retirement planning, marital and prenuptial agreements, probate and trust administration, fiduciary litigation and charitable giving.

ABOUT CHAMBERS

Chambers USA ranks the leading firms and lawyers in an extensive range of practice areas after researchers conduct in-depth interviews with clients and lawyers across the United States. Chambers' ranking criteria includes both legal knowledge and experience, as well as effectiveness, professional conduct and their commitment to client service.
