

Reinhart's Jason Thelen Shares Insights on Vulnerability Management

Jason Thelen, Reinhart's Director of Information Systems, was recently interviewed by NopSec CEO Lisa Xu for an episode of the Future of Vulnerability Management Podcast. The podcast is dedicated to helping security professionals tackle real issues in the vulnerability space and is produced by NopSec, a Brooklyn-based company specializing in cybersecurity.

In the episode, Jason discussed his holistic approach to vulnerability management, the value of leadership, training and collaboration in ensuring companies have the right tools to protect their assets and the importance of fostering transparency when partnering with clients.
