

Robert Sholl Writes Wisconsin Employment Law Commentary for Chambers and Partners

Reinhart Boerner Van Deuren s.c. (Reinhart) is pleased to announce that Shareholder Robert K. Sholl has written the Wisconsin employment law commentary for Chambers and Partners' 2020 *U.S. Regional Employment Guide*. Sholl's commentary is comprised of two sections, both of which focus on Wisconsin law – "Law and Practice" and "Trends and Developments." Businesses based or doing business in Wisconsin and need of updated legal commentary about a host of employment issues can now look to the latest edition.

Chambers and Partners publishes the guides to: "provide clients with expert legal commentary on the main practice areas in key jurisdictions around the world." Each chapter is written with clients in mind, for both in-house counsel as well as C-Suite decision makers, and includes in-depth analysis from contributing editors like Sholl who have deep experience in their specific practice area in their respective states. Each contributor is chosen by Chambers and Partners for being the best in their field.

Sholl is a shareholder in Reinhart's Labor and Employment Practice. He advises and defends clients on a number of employment matters like employment discrimination, workplace harassment, non-compete agreements, whistleblower and breach of employment contract lawsuits before state and federal agencies and courts.
