

Shareholder James Sheriff Quoted in Captive Insurance Times

Reinhart shareholder [James Sheriff](#) is featured in a recent article "[Banking on It](#)" in the Captive Insurance Times magazine. Sheriff discusses the active participation of financial institutions in forming captive insurance companies recently, citing Indiana as a good example, "If we look at Indiana, where a bank captive programme was incubated some years ago with the Indiana Bankers Association, more than 85 percent of banks with more than \$1 billion in assets now have captives in place. This signals a large opportunity for growth throughout the country in managing enterprise risk." Sheriff has advised a number of Wisconsin banks considering the formation of captive insurers.
