

Shareholder Peter Blain Featured Contributor of Bankruptcy & Restructuring 2018 Virtual Round Table

[Peter Blain](#), a shareholder in Reinhart's [Business Reorganization](#) Practice, was a recent contributor to the "[Bankruptcy & Restructuring 2018 Virtual Round Table](#)" published by Corporate LiveWire. The round table featured eight experts from around the world who shared their practical knowledge and experience, discussing recent regulatory changes, identifying the sectors at the highest risk of bankruptcy, outlining the formal proceedings for insolvency in their jurisdiction, and sharing what can be learned from the recent surge of high-profile bankruptcies.

Blain noted that "Banks are often willing to allow debtors experiencing financial distress to attempt to rehabilitate their operational deficiencies and continue as performing customers of the bank, as opposed to in previous years when they routinely prevailed upon debtors to refinance their loans with a replacement lender."
