

Supplier Diversity Program

We are committed to economic development through greater supplier choice. Our suppliers serve us best when they represent a diverse supplier network that reflects our community and our clients. We seek out suppliers of all genders, gender identities, races, colors, national origins, ages, ethnicities, creeds, religions, and sexual orientations.

To be considered a diverse supplier, an organization must be at least 51% owned, controlled, and operated by individual(s) from one of the following groups:

- Women Business Enterprise
- Minority Business Enterprise including ownership by African American/Black, Hispanic/Latinx, Native American or those of Asian descent.
- LGBTQIA+ Owned Business Enterprises
- Veteran Owned Business Enterprise
- Disabled Owned Business Enterprise
- Small Business Enterprise

- Emerging Business Enterprise

We would like to consider diverse suppliers whenever possible. If your business would like to be considered by Reinhart, please email the following information to SupplierDiversity@reinhartlaw.com.

- Business name
- Contract name
- Address, city, state and zip code
- Telephone number
- Email address
- Business ownership [include all that apply] (at least 51% owned by African American/Black, Hispanic/Latinx, Asian American, Native American, Women, LGBTQIA+, Veterans or Disabled)
- Certification as a diversity owned business (if applicable, not required)
- Brief overview of your company background, goods or services offered, and your company size

Submitting your company's information to the firm does not guarantee you will receive business, but if you are an eligible diverse supplier, your information will be added to our supplier database. We will contact your business should an opportunity arise in which your goods and service match our needs.
