

Webinar: Roadmap for Overcoming Unbalanced Short-Termism

<https://www.youtube.com/watch?v=EFivYisRFq8>

The panelist of presenters in this webinar examined how evolving corporate law could help resolve the current challenges that short-termism presents for both companies and investors.

Topics Discussed:

- Implications of the Business Roundtable Statement on Purpose of the Corporation
- Evolution of Delaware corporate law regarding ESG and company compliance functions under the Caremark line of cases
- The relationship between ESG factors and how companies make money
- Research on performance results of managing companies to a long-term strategic plan
- Behavioral dynamics that influence the effectiveness of communications between investors and companies
- An investor roadmap for driving culture change in boardrooms to improve long-term performance
- The continuum of investor strategies for overcoming current regulatory roadblocks to engaging companies on ESG risks and opportunities
- Conflicts between short-term interests of fiduciary agents in the investor service provider chain and the long-term financial interests of a fund's beneficiaries
